Affordable reliability

Print, Copy & Scan

With pinpoint accurate prints, crystal clear copies and sky-high resolution scanning, the DCP-T710W is the ideal all-rounder to keep your fundamental small office requirements in one stylishly compact machine.

Connectivity options

You have the choice to print via USB connection or wirelessly with the DCP-T710W. Even print on-the-go quickly and easily via your mobile or tablet device. You'll never miss a chance to print that last minute document again.

Convenient paper handling

Designed to make your life easier, the DCP-T710W paper handling options include a large 150 sheet standard paper tray, a single sheet manual feed tray and a 20 sheet automatic document feeder (ADF) so you can complete a copy or scan job, whilst getting on with other tasks around the house or office.

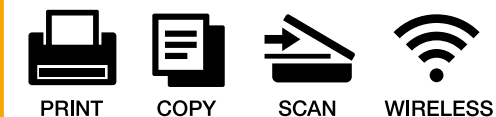

Cost effective ink refill system

Carrying yields of up to 6500* pages with one refill, Brother's quick and easy ink tank refill system helps you to achieve high print volumes, while delivering low costs per page. With the DCP-T710W you will receive the full 4-colour line-up of ink bottles (2x black, 1x cyan, 1x magenta and 1x yellow) in the box to get you up and printing as soon as possible.

*Quoted approximate yield is based on Brother original methodology, using industry standard test charts to calculate page yields. Refers to black ink only, cyan, magenta and yellow print 5000 pages.

Cost effective wireless printing with refillable ink tanks.

Print, copy & scan

12ipm (mono) and 10ipm (colour) print speeds

Wireless connectivity

Mobile printing

USB connection

150 Sheet Tray

20 sheet automatic document feeder (ADF)

1 Line LCD and cursor controls
